

FEAR TROUBLE WHEN FRANC IS DEVALUED

French Government Is
Prepared To Put
Down Disorders

Paris, Sept. 26.—The French government tonight prepared to "crack down" at the first signs of public disorder growing out of the plan to devalue the franc.

Plans for extra precautions against any street disturbances throughout the nation were drawn by Minister of Defense Edouard Daladier and Minister of Interior Roger Salengro during a night conference with police executives.

Salengro messaged all prefects in France and Algeria that disturbances would be "intolerable" at the present time and ordering them to make "summary arrests" if necessary.

The consensus of French parliament members, hastily assembling tonight, was that Premier Leon Blum would muster a majority Monday sufficient to insure passage of monetary measures devaluing the franc.

The socialist premier himself made public assurances that measures would be enacted immediately to protect the purchasing power of the consumer against a devalued currency.

To wage earners, fearful that a monetary reform would cause a quick jump in prices, Blum said his financial program was based primarily on improvement of the average man's lot.

The standard of living for the average French family, devaluations asserted, would be benefited by:

1. Stopping of gold reserve exports.
2. Increase of money in circulation.
3. Stimulation of business by an expanded French share in world trade.

In Washington tonight Secretary of the Treasury Morgenthau said the United States poured five million dollars into the International Exchange market to halt what he charged was a Russian state bank move to depress the British pound. Commenting on the Franco-Anglo-American monetary accord, Secretary of State Hull held it should strengthen "our domestic recovery."

Premier Blum declared that the French financial program would aid international peace and would not raise the cost of living in France.

Five Caravans Of Republicans To Tour State

Will Be Final Downstate
Campaign Swing In
Illinois

Chicago, Sept. 26.—(P)—Five caravans of Republican state office seekers and party speakers prepared today for their final week of five week campaign swing through the state.

Their schedules included:

Otis F. Glenn, nominee for United States senator, and Arthur J. Bidwell, candidate for state auditor, to open Monday at Murphysboro and close Friday in Lawrenceville, visiting 18 communities in the southern part of the state.

C. Wayland Brooks, nominee for governor, and William J. Stratton, nominee for secretary of state, to open Monday in Pontiac and close Friday in Bloomington, appearing in 27 central state towns. Brooks was scheduled for radio addresses at Decatur (WJBL) at 6:45 p. m. Wednesday and Villa Grove (WDZ) at 4:45 p. m. Thursday.

Charles W. Hadley, candidate for attorney general, and Arthur G. Poorman, to open Monday in Dixon and close Friday in Joliet, visiting 24 northern towns.

Rodney H. Brandon and John T. Dempsey, nominees for congressmen-at-large, to open Monday in Peoria and close Friday in Beardstown, appearing in 21 western communities.

George Hatzenbuehler, nominee for lieutenant governor, and state Rep. Richard J. Lyons (Rep.-Libertyville) to open Monday in Litchfield and close Friday in Jacksonville, visiting 28 southwestern towns.

Grain and Forage Crops Defy Heat, Drought and Bugs

75 Bushels of Corn Produced
from Field Which Had
Little Rain

Springfield, Ill., Sept. 26.—(P)—Elisberry O'Hair, employee in the state department of agriculture, today claimed he and his father, H. Z. O'Hair of Bushout, Ill., have succeeded in growing a grain and forage crop which defied drought, heat, grasshoppers and chinchbugs.

He said it was the first time the crop, a hybrid of three cross pollinations of varieties of kafir corn and ribbon cane, had been grown in the midwestern corn belt.

The test was conducted in cooperation with Fred Groff, Oklahoma experimental farmer, who supplied the seed for determination of its growing abilities in this part of the farm belt.

"It was a complete success," O'Hair said. "We secured 75 bushels to an acre on a ten acre field which received only 8 inches of rainfall from May 1 to Aug. 31, and was so soaked that the ground cracked sufficiently to run an ordinary ruler a foot down."

"The grain is heavy in protein and fat. Cattle ate it readily. In addition, the fodder, sweet and moist, amounted to 13 tons to an acre."

Some of the values claimed for the new corn were:

Production of 75 bushels to an acre during four months when the moisture deficiency was 6.37 inches. Corn production in the Bushout area this summer was estimated by the department of agriculture as 25 bushels to an acre. But O'Hair estimated the length of the roots at nine feet and stalks pulled up showed a heavy root growth close to the surface.

The protein in the fodder was said to be 43.6 per cent, about half as much as shelled corn. The grain protein value was 12 per cent, the same as the average for wheat. Fat content of the grain was 4.35 per cent as compared with 3.5 per cent for Indian corn, the common variety of the farm belt.

Grasshoppers and chinchbugs did not touch it, although O'Hair said birds were greatly attracted by the grain.

Mystery Murder Case Revived

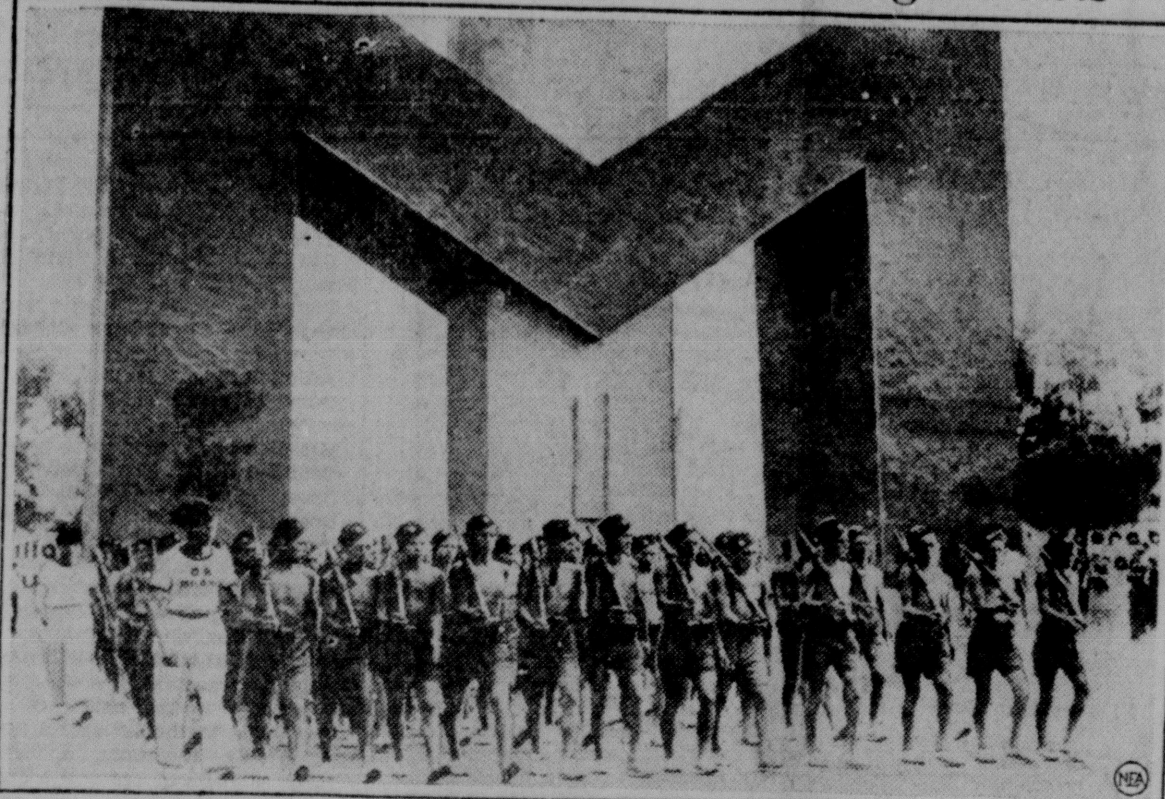

Edwardsville, Ill., Sept. 26.—(P)—A seven-year-old mystery murder case was revived today when a Madison county grand jury indictment named John L. Smithky of East St. Louis as one of three men who shot and killed Edward (Big Ed) Diehrich, formerly St. Louis policeman and saloon keeper.

Smithky, who State's Attorney Leyter Geers said was released from Leavenworth penitentiary last January after serving a term on liquor charges, has been in jail here since September 10.

Diehrich was killed in his cottage on Long Lake the night of May 23, 1929. A friend, Phillip Seiple, who was with him the night of the murder, told police at the time that three men broke into the cottage, began shooting at Diehrich and then escaped in an automobile.

Chicago, Sept. 26.—(P)—One of four armed men who attempted to hold up a West Side tavern was shot and killed today by Sgt. John J. Ryan, who, in plain clothes, was among the 32 dozen patrons of the tavern. The slain man was believed by the police to be an Edward King. His three companions escaped.

'M' for Mussolini—Lesson for Young Fascists

The enormous capital "M" through which these young Italian Fascists are marching might, from the guns on the children's shoulders, represent Militarism, but in fact stands for Mussolini. The symbol of loyalty to the Italian dictator was erected at a youth camp near Rome. Through the center of the "M" runs the Fascist emblem.

Post-Dispatch Cannot Support F.D. Roosevelt

St. Louis Newspaper Has
Supported Democrats
for Many Years

St. Louis, Mo., Sept. 26.—(P)—The St. Louis Post Dispatch (independent), which supported Democratic candidates in the last five presidential campaigns, announced tonight that it "cannot support Mr. Roosevelt for reelection to the presidency."

"In simplest possible terms," said the newspaper, "the overhauling issue in the coming national election is whether or not we shall set up in America, in defiance of the American tradition and in defiance of the plain intent of the constitution as it now stands, a government with vast and centralized authority over the economic life of the nation."

"On that issue the Post-Dispatch, believing as it does in an economy of free enterprise, under the political form of our federal system of government, cannot support Mr. Roosevelt for reelection to the presidency."

"The question, to repeat, is whether we shall continue under the present constitutional system—a system of which free competition is an integral and necessary part—or whether we shall substitute for it a federal bureaucracy with the unrestrained power to impose its fiat upon the daily affairs of the citizen. Such a bureaucracy not only destroys economic freedom but must, in the end, if it is to succeed, destroy political freedom."

"While opposing the reelection of Mr. Roosevelt, we give him full credit for the courage he displayed in the dark days of March, 1933, full credit for high minded and patriotic endeavor to improve lot of common man."

"In advocating the defeat of Mr. Roosevelt, the Post-Dispatch does not shut its eyes to the evils of the old guardism repudiated by the voters in 1932. There must be no return to the conditions that produced such evils as the Teapot Dome scandal, the unscrupulous Hawley-Smoot tariff, the speculative excesses of the Coolidge 'New Era,' the wholesale defrauding of investors, the control and abuse of the national credit by Wall Street."

"As an independent newspaper, committed to neither the Democratic nor the Republican party, the Post-Dispatch holds itself free to criticize the views and acts of Gov. Landon both as a candidate and as president if he should be elected."

CITY NEEDS STUDIED BY ROOSEVELT

President And Mayor
Laguardia Of N. Y.
In Conference

Hyde Park, N. Y., Sept. 26.—(P)—Two major but widely separated problems—international monetary developments and municipal relief—caught President Roosevelt's attention today during a round of conferences in the summer white house.

Mayor Fiorella LaGuardia of New York, head of national conferences of mayors, said he and the president had some over urban relief conditions as well as needs of cities for the 1937-38 fiscal year and arrangements for the next annual mayors' conference in Washington Nov. 14.

Over telephone and telegraph wires connecting directly with the white house, Mr. Roosevelt kept informed during the day of the latest moves and reaction centering around projected devaluation of the franc under a "monetary equilibrium" understanding among France, England and this country.

Neither the president nor any of his assistants had any comment to offer on the currency developments.

In a morning talk with William Griffin, New York publisher, he touched on another international subject, United States chop off diplomatic relations with Russia because the Soviet government had not lived up to an agreement to prevent dissemination of communist propaganda in America.

He said he had discussed, too, the French and British war debt, passing to the president some observations made on a trip abroad.

Legation came away from his interview with the chief executive, recommending "long-range planning" of works projects as more economical.

Spanish Rebels Continue Attack On Bilbao, Spain

Bombs Dropped from Air
Do Heavy Damage In
Coastal City

Bilbao, Spain, Sept. 26.—(P)—A Fascist aerial armada hurled death and destruction today in a bombardment of this Spanish coastal city. Many buildings were set afire and the streets resounded with the cries of citizens demanding death for insurgent sympathizers.

Ten war planes roared over the city in a day long attack, the second in 24 hours. Bombardment from the air was apparently the sequel to Fascist warnings that the city would be destroyed unless its government defenders surrendered before dawn Friday.

The bombers dropped leaflets that the attack would continue until the surrender was forced—to which Socialist commanders of the city's militia hurled defiant replies.

They would hold out to the last man, the government leaders said.

Disorder hampered defenders. Mobs surged through the streets demanding death for 3,900 Fascist hostages held in prison ships in the harbor. Sixty were killed last night.

Basque Nationalists, striving to prevent looting and unchecked mob rule, patrolled the city.

Firemen battled to check fires ignited by the bombs and dragged from the flaming wreckage the mangled bodies of the dead. Militiamen counted 125 dead in yesterday's attack.

There were many more bodies in the wreckage, they said, and today's renewal of the bombardment added to the toll.

Claim Morgan Interests Paid No Income Tax

Claim Auction of Stocks
Erased Almost All
Its Profit

St. Louis, Sept. 26.—(P)—The Post-Dispatch, in a copyright story from New York, said tonight "partners in the banking firm of J. P. Morgan & Co. paid virtually no income tax to the federal government on the profits of that international banking firm for the year 1935."

Quoting an anonymous "authoritative source," the newspaper said, "the transaction by which the Morgan firm wiped out 1935 profits attracted wide attention at the time it was made (a year ago). It was the sale at public auction of the stocks and bonds posted as collateral for a loan, said to have been \$45,000,000, made to the Van Sweringen brothers by a group of New York bankers headed by the Morgan firm."

"It was held in the auction rooms of Adrian H. Muller and Sons, 18 Vesey street, x x x famous as a 'security graveyard.' The total realized by the auction was \$4,703,000 which left the banking syndicate with a loss reported at the time to be \$43,000,000. x x x"

"In taking such a large loss through the public sale of depreciated collateral, the Morgan firm was able, for income tax purposes, to erase almost all of the profit that had been shown in that year."

CLEAN SLATE

Los Angeles, Sept. 26.—(P)—Busby Berkeley, film dance director, had a clean slate today, freed of the second degree murder charges which hung over him for nearly a year.

A superior court jury in his third trial acquitted him last night after deliberations of an hour and a half.

Berkeley was accused of murder for precipitating a three-car collision the night of September 8, 1935, in which William Von Brisson, Mrs. Ada Von Brisson and Dorothea Daley lost their lives. Two previous juries disagreed.

Landon Contends New Deal Has Endangered the Whole Cause of Social Security

FASCISTS SET
FOR ATTACK ON
TOLEDO, SPAIN

Trained Legions Are
Awaiting Zero
Hour

On the Toledo Front, Sept. 26.—Trained Fascist legions under Gen. Francisco Franco tonight awaited the zero hour for a dawn attack on government-held Toledo, less than five miles away.

The disciplined and well-equipped insurgent fighting forces consolidated their positions hard-won from the government defenders of the city.

Fascist leaders, mapping their planned dawn attack, restrained their men who had been spurred in their advance by thoughts of their besieged comrades within Toledo's Alcazar fortress.

"The government in Madrid announced artillery and aerial fire was poured today into the insurgent ranks on the north side of the river Tagus, which skirts Toledo. Government artillery attacked from three directions, trying to drive the insurgents westward."

(At Talavera de La Reina, Col. Asensio, insurgent leader, said "Toledo can be taken when General Franco desires.")

(A correspondent of a Lisbon, Portugal, newspaper reported that the Fascist troops virtually were at the gates of Toledo.)

The Fascists drove their advance units within sight of the city they wish to capture after breaking the government line along the banks of the Guadarrama river, some eight miles from the city.

Fields along the route of the insurgent advance were strewn with the bodies of the dead.

The Fascist military high command was confident Toledo would fall as soon as it gave the word for their men to advance.

The officers believed a force of some 10,000 government militiamen opposed them.

With Toledo resistance stamped out, the Fascist leaders said, their men would march on to Madrid, about 40 miles to the north, and join another column already advancing from the west along the Maqueda-Madrid highway.

The combined armies, commanders said, would be sufficient to capture Madrid and end the war before winter sets in.

Communists Will Not Have Place On State Ballot

Justices Rule That Their
Candidate Petitions are
Insufficient

Springfield, Ill., Sept. 26.—(P)—The state electoral board of three supreme court justices tonight ruled that the petitions of candidates of the communist party were insufficient to entitle them to places on the November general election ballot.

Objection to the communist candidates was filed by the American Legion, which was sustained by the board in the claim that the party blanket petition did not contain the required 200 signatures from at least 50 counties.

The communist candidates, defeated in their two day fight for a place on the ballot, said they were uncertain of their next step but indicated they would take the case to court.

Earlier in the day the board, including Justices Clyde E. Stone, Warren H. Orr and Norman L. Jones, declared the petitions of the Union Progressive party legal, permitting names on the ballot of Congressman Lemke for president, Newton Jenkins of Chicago, for senator, and former Mayor William Hale Thompson of Chicago, for governor.

The justices served as the electoral board after the secretary of state, auditor and attorney general disqualified themselves to rule on the case yesterday. The latter officials sustained the communist claim that the three could not rule on candidates seeking the same office for which they were running.

First Big Naval Battle Appears Near in Spain

Five Government Warships
Reported Steaming To
Northern Ports

Bilbao, Spain, Sept. 27.—(Sunday)—The first naval battle of the Spanish civil war appeared imminent today as five government warships were reported steaming under full speed to northern ports blockaded by fascist vessels.

Naval authorities in this besieged city—bombed by fascist airplanes all day yesterday for the second time in 24 hours—said a foreign warship had sighted a government fleet off the Portuguese coast, racing toward Spain's northern bay of Biscay shore.

The five ships were reported to be the battleship Jaime I, the cruisers Cervantes and Libertad and two destroyers.

Three government submarines and one gunboat already were based at Santander. With the arrival of the main fleet they were expected to try to lift the insurgent blockade here and at Santander.

Bilbao authorities said the approaching government fleet bore sufficient munitions for a two-day battle.

It was reported more war materials had been landed a week ago at Santander, which could be used as a government base. Some sources said these munitions were brought there by "foreign" freighters.

New York, Sept. 26.—(P)—Savagely hacked with an axe or meat cleaver, his head all but severed from the body, Thomas Kirins, club-footed petty racketeer, was found dead in an alley today back of the New York Central freight yards.

"This is no racket killing," Deputy Chief Inspector Francis J. Keary said. "It definitely looks like a vengeance case."

CARL SHOGER WINS HONORS AT PLOW MEET

Again Demonstrates
His Prowess As
Plowman

Big Rock, Ill., Sept. 26.—(P)—Carl Shoger again today demonstrated his prowess as a plowman.

The Wheatland, Ill., expert was awarded first honors in the 42nd annual renewal of the Big Rock plowing contests, defeating a large field of experts, including Carl Hageman, also of Wheatland, who was defending laurels gained last year when he won the prize winners' class championship.

Shoger, winner of four previous Big Rock contests, was credited with 901 points. His nearest competitor was Otto Mueller of Naperville, with 90 points.

Homer Lapp, many times a rival of Shoger in Wheatland plowing contests and who was expected to furnish stiff competition today, was declared ineligible, in that he had not previously contested in two open field events using a tractor. He had always used a team of horses, but today had expected to use a tractor.

With meticulous care the plowmen guided their tractors back and forth across the field. Straightness of furrows is essential.

Mort Morris of Big Rock was the only contestant of the horse drawn prize winners class. The same was true in the horse drawn open field event, which was won by Clinton Thomas, 19, of Big Rock.

Donnie Morris of Big Rock won the match for boys under 19 years of age with 6 points. He had been pressed by Clarence Shoger, 17, son of champion Carl Shoger, who scored 85.

The open field event was won by Paul Steinfeld of Wheatland, who scored 911. Milton Fouser of Naperville was second with 89.

Archie Fowler of Herbert, Ill., demonstrated a Diesel powered tractor, pulling a five bottom plow over 2.24 acres, using two gallons and three pints of fuel which cost seven and three tenths cents a gallon.

Summary: Tractor prize winners—Carl Shoger, Wheatland, 901; Otto Mueller, Naperville, 90; Orvis Schroyer, Lilly Lake, 98; Wayne Pultier, Wheatland, 88; George Susemihl, Wheatland, 86; Carl Hageman, Wheatland, 84.

Tractor prize winners—Paul Steinfeld, Wheatland, 911; Milton Fouser, Naperville, 89; aemer Stewart, Wheatland, 84; Oliver Lepert, DeKalb, 83; Davis Lewis, Hinckley, 80; Alvin Hetland, DeKalb, 60.

Boys under 19 class—Donnie Morris, Big Rock, 86; Clarence Shoger, Wheatland, 85; Rollin Boughten, DeKalb, 83; William Reese, Lilly Lake, 78.

Manufacturers and dealers class—Homer Dixon, Yorkville, 88.

Agile Maniac Is Blamed for Attack On N. Y. Show Girl

Alda Deery Is in Serious
Condition at Chicago
Hospital

Chicago, Sept. 25.—(P)—An agile maniac was blamed today for the atrocious assault on Alda Deery as the dark-eyed New York show girl lay in serious condition in a hospital.

Reconstruction of the attack, said Captain George O'Connor, convicted him a mad man stole up a fire escape, swung into the 23 year old girl's hotel room before yesterday's dawn and attacked her. Before leaving, the assailant started a blaze in his victim's clothing closet.

Only a man with a twisted mind, the captain reasoned, would attract attention to his deed by starting a fire.

The smoke brought Dorothy Ryan, associate of Miss Deery in a vaudeville act, from an adjoining room. The young actress had been raped and beaten. A silk stocking was wound about her neck.

At the Cook county hospital today physicians determined Miss Deery was suffering from a brain concussion and pneumonia. They were concerned, too, by indications of pleurisy.

At the same time, detectives were ordered to search the loop and south side for negro suspects. This action was based on the fact officials held negro morons responsible for the slaying of three women in the last five months under circumstances that paralleled Miss Deery's case.

SENT TO PRISON

Danville, Ill., Sept. 26.—(P)—Henry Batey of Hutsenville, Ill., and his uncle, Fred Smith, a former Annapolis, Ill., postmaster and bank cashier, were sentenced to a year and a day each in the federal reformatory at Chillicothe, O., by Federal Judge Walter Lindley today on a charge of embezzling funds of the Annapolis First National Bank.

Smith pleaded guilty yesterday and Batey was convicted by a jury today.

The two men were charged with taking between \$8,000 and \$9,000 from the bank and using the funds to operate a grocery store which Batey opened in Hutsenville on Jan. 1, 1934. Smith, it was charged, previously loaned \$800 to Batey was residing in Toledo, O.

Twenty Cents on a Dollar

More than twenty cents of every dollar the housewife spends goes into government taxes, says Elizabeth Frazer in an article based on recent tax figures. She calls on women to fight politicians whose scheme of taxation takes twenty percent from the average income.

She suggests that the housewives of America, forced to practice economy because of high taxes, propose this question to the government officials whose salaries they help to pay:

"Gentlemen, you who are the servants of the people sworn to protect their interests, why this lavish expenditure? Is it my money you are taking away. How about economy for you, as well as for me? 'At present time,' Elizabeth Frazer says, 'if a man's weekly pay envelope amounts to \$30 a week, more than \$6 of this amount is taken for taxes, leaving the family to get by on the rest.'"

Indirect taxation levied on everything the housewife buys to eat or wear now fills sixty-one percent of the government coffers, she says, urging women through their clubs and organizations to protest.

"This is a non-partisan war which calls all women to the colors to enlist for the enforcement of the same principles in government they practice in their homes," the writer concluded.

Both Sides the Campaign

BY JOHN HENRY BARTLETT
Formerly Republican Member U. S.
Civil Service Commission

I have seen a great many administrations change in Washington. Never have I seen so few disruptions in that backbone of administrative efficiency, the permanent civil service of devoted men and women who have made it a career.

What other president ever appointed to his cabinet two men of the opposition party? President Roosevelt did. He confided the great departments most closely touching the economic crisis and its solution to those progressive Republicans, Henry A. Wallace and Harold L. Ickes. To the Department of Agriculture and to the Public Works Administration in the Interior Department was entrusted the largest disbursement of funds any government ever made in peace time.

Through Wallace and Ickes, President Roosevelt made the fund control non-partisan at the source. It is a well-known fact in Washington—a fact which some of my Democratic friends frequently complain—that these gentlemen staffed their departments with more Republicans than Democrats.

I know nothing directly, of course, of the party affiliations of their men in the field. But this thought occurs to me: with the number and the power of the newspapers that are frankly and so fiercely opposed to the New Deal, if there had been partisan scandal out through the country in the administration of these huge funds, our ears would have been ringing with the story.

I can honestly say that under none of his predecessors have the men charged with the administration of the civil service laws been as considerate of and as obedient to the purposes of the law as have the men under President Roosevelt.

Holds Criticism Unfair
These are facts that I have observed. I want to be fair to the Republicans. But I insist that Republicans shall not be unfair to President Roosevelt.

For them to assert that there has been any exploitation of the government service for partisan purposes is to my knowledge unfair. For some newspaper correspondent to assert it shows they are either partisan themselves or ignore the facts.

The administration has been attacked because it did not put the strictly emergency agencies under civil service. How much more severe would that attack have been if these temporary agencies had been made a permanent part of the government by inclusion of their personnel under civil service protection?

When the emergency ended it would have proved difficult indeed to disband them. It cannot be questioned that many of this temporary personnel, too, were of the Republican party. In the emergency that called for the agencies' creation, when action was the need of the hour, it would have taken months to create the places under civil service and examine and choose applicants.

Uphold Civil Service
In their inception, in their management of personnel, and in the policies looking toward their termination, I believe these emergency agencies have adhered admirably to the spirit of civil service. There was good Republican precedent, of course, for their re-creation. President Hoover set up the Reconstruction Finance Corporation under a law empowering it to choose per-

sonnel without regard to civil service requirements.

In regard to agencies created on a more permanent basis, it should not be forgotten that either the law that established them or an executive order of the president put their employees under civil service.

Praise for Farley

It would not be fair to end this discussion without reference to the Postoffice Department, in view of the unjustified attacks upon James A. Farley. It should not be forgotten that President Wilson first put the postmaster's ships under civil service, requiring appointment of the person at the head of an examined list.

President Harding put the selection of postmasters back on the basis of selection by congressional and partisan recommendation. President Roosevelt has now restored these appointments to the Wilson civil service basis.

The one section of the Postoffice Department where it is permitted to ascertain the employee's politics is the division of postal inspectors. Their work was so often involved in the investigation of political appointees that President Wilson issued an executive order that the force be equally divided between Republicans and Democrats.

Yet when Mr. Farley took charge, after twelve years of Republican control, there were only 165 Democrats out of a total of 540 inspectors. Even today there are 242 Democrats to 313 Republicans in this important corps.

NEXT: Senator Lester J. Dickinson of Iowa scans the record of the president he calls "the greatest promise-breaking chief executive in the history of the nation."

Former Jersey Boy Married in Chicago

Deneen Watson Weds Ruth
Elizabeth Dummer; Other
Jersey News

Jerseyville—Jerseyville friends have received announcements of the marriage of Deneen C. Watson of Chicago, formerly of this city, to Miss Ruth Elizabeth Dummer of Chicago, which took place on Sunday, September 20th, in Watouosa, Wisconsin. They will be at home to their friends in Chicago after October 1st.

The groom spent most of his early life in this city. For twelve years he was in the research department of the Whitman and Barnes Corporation, manufacturers of Metal Cutting Tools and for the past two years has been representing this corporation as a metallurgical service engineer with headquarters in Chicago.

Issues Licenses
County Clerk Frank Seago issued a marriage license Wednesday, September 23rd, to Charles G. Smith, aged 47 years, of Paducah, Kentucky, and Mary I. McKinney, aged 30 years, of Fulton, Kentucky. The couple was married by County Judge Fred W. Howell.

Express Sorrow
At a special meeting of the Jersey County Board of Supervisors held this week at the court house in Jerseyville, resolutions of sympathy were passed over the death of State's Attorney R. C. Chappell, a copy of which were ordered sent to the widow of the deceased.

A second resolution of thanks was extended by the Board to Attorney T. J. Sullivan of Springfield, who substituted for State's Attorney Chappell during his recent illness, and County Clerk Frank Seago was ordered to send a copy of such resolution to Attorney Sullivan.

Make Survey
An historical survey is being made in Jersey county by James C. Anderson, Miss Edna Meyer and Miss Margaret Caveny of Carlinville. The work is a W.P.A. project and action began on the task Tuesday of this week.

A similar survey was made the past week in Calhoun county and from Jersey county the group will go to Greene county to continue the survey in that locality.

The work being done here includes the inventory of all the books at the court house, measurements and descriptions of the court house and recording of historical facts and dates regarding the county.

Mrs. Mary Eta Larsh of East St. Louis is in charge of the survey in this district.

The data being compiled here will be filed for reference in Springfield and Washington, D. C.

Black Widow Spiders
Black widow spiders are becoming prevalent in the locality as the approaching cold weather drives the insects from their places of summer sojourn to places of hibernation.

The second black widow captured in the locality within a week was found by William Smith in a web spun by the insect inside an oil pump near the Snodgrass store on Giddings avenue.

**MAN SLAYS DOG AS
RESULT OF ATTACK**

Picks Up Rock and Kills
Animal That Bit Him

Archie Senter had an encounter with a dog Friday on North Diamond street. The dog bit Senter, and he retaliated by picking up a rock and killing the dog.

Reporting the occurrence to the police department, Senter said he was not certain if the dog was affected by rabies, but wanted to make certain about it. The slain canine was turned over to a veterinarian who removed the head and sent it to the state laboratories at Springfield for examination.

Ask Time Extension On Lafayette Work

Routine Step Taken to Get
PWA Permission to
Complete Work

Members of the Board of Education at a special meeting recently passed a resolution in which they asked the Public Works Administration for an extension of time to complete the work on the new Lafayette grade school building. The resolution is regarded as a routine step which will in no way endanger the status of the project.

When the application under which the grant and loan for construction of the building was submitted, the board anticipated that it might be possible to finish the work by Oct. 1, but because of delays at the beginning of the project, the board found that it would be impossible to have the building completed.

The board set the date of Dec. 15 as the completion day, because it is believed that all WPA work under contract must be completed by that time. Actually, Dr. R. O. Stoops said, the building probably will be finished by November 1.

Plans are being made to occupy the new building as soon as the work is finished and equipment arrives. Dr. Stoops, city superintendent, said that there was no way of determining when the equipment would arrive here.

MISSIONARY SOCIETY OF BLUFFS M.P. CHURCH MEETS AT CASTLE HOME

Bluffs—The Missionary Society of the M. P. church met at the home of Mrs. Gladys Castle Thursday. Mrs. Nell Morris was in charge of the Devotional. Miss Orbin Atkins was leader of the question box. Fourteen members and one guest answered the roll call. Following the meeting refreshments were served.

News Notes
Mr. and Mrs. Fred Tuscher and family went to Springfield Friday to attend the funeral services of Mrs. John Tuscher of Meredosia. The funeral services were held at the Ellinger and Kunz Funeral Home with Rev. W. A. Hallan of Bluffs officiating. Burial was in Oak Ridge cemetery.

Mrs. Mable Redman of Lafayette, California, visited at the home of her cousin, Mr. and Mrs. Tuscher, and Nina Hubbard Friday.

Horace Arnold returned Friday from Lansing and Adrian, Michigan, where he appeared before the Commerce Commission of that state in behalf of the O.R.T., of which he is general chairman.

Harry Six and Harlan Lankford were visitors in Springfield Thursday.

Mrs. Wayne Masterson was a business visitor in Jacksonville Friday.

**CHARLEY JACKSON
RECEIVES SENTENCE**

Charley Jackson, who was charged with the theft of a tent from George Zenge, in an information filed in county court Friday, denied the accusation yesterday morning when arraigned before Judge William E. Thomson, but received a sentence of six months at the Vandalia State farm.

Jackson also denied that he stole bunches of shingles, which the police department found that he had sold for \$1.50 each, but claimed that he found them. The alleged shingle theft was not involved in the information.

Burns From Acid or Electricity
Require Special Treatments

By DR. MORRIS FISHBEIN
Editor, Journal of the American
Medical Association, and of
Hygieia, the Health Magazine

For acid burns, the first treatment is to wash off the acid as quickly as possible with a solution of bicarbonate of soda, and to keep the affected part in the soda for some time. This serves to neutralize the acid. People who work acids regularly should wear gloves whenever possible.

Electric burns usually are deep and severe. They should be treated like other burns, except that a special method is used to overcome electric shock.

Because of the shock, it is necessary to maintain the heat of the body. This may be done by any of the usual devices for the purpose, but excessive sweating should not be permitted because this may cause damage to the macerated skin, and possible infection.

Besides applying liquid petrolatum or mineral petrolatum which hardens and covers the burn, the most recent method involves the use of tannic acid, prepared especially for the treatment of burns. This solution causes crusts to form over the burn; the crust protects the nerve endings and allows the burned area to heal.

Tannic acid solution can hardly be applied by the patient or by those about him, since the solutions must

Brown's Business College Enrollment Shows Big Increase

Classes at Opening of Fall
Term Largest Since 1921;
New Instructor Added

Brown's Business College, established 70 years ago in Jacksonville, later becoming the first of the largest chain of business colleges in the world, opened its third department of Fall classes this week when night school began September 22 and 25.

Principal D. L. Hardin who has been associated with Brown's College for fifteen years, announced the enrollment is the largest since 1921. All departments show a marked increase in registrations over a year ago, with the night school enrollment being the largest in the history of the college.

To adequately care for the increased night school enrollment it has been necessary to add another teacher to the faculty. Harold Hempel of Jacksonville, has been selected to assist in the bookkeeping and accounting department.

Mr. Hempel is well qualified for the teaching profession having taken the complete business training course in Brown's Business College, a special teacher's training course in Concordia College at Chicago and one year at Illinois College, where he is at present working for his degree.

It is interesting to note that the 141 students enrolled at Brown's represent eight Liberal Arts Colleges and twenty-two high schools.

Roadside Red Cross First Aid Station Opened at Woodson

Emergency Kit Available in
Time of Emergency with
Trained Volunteers

A Red Cross first aid station, the

first of several to be located in this community was opened yesterday at Woodson. It is situated in the Steinmetz Cafe at the side of the hard road, of easy access in time of emergency.

A complete first aid kit has been placed in the cafe, along with leg splints and other equipment which would be of service in event of accidents. Mr. and Mrs. Jacob Steinmetz both have passed the Red Cross standard first aid course, being qualified to use the first aid equipment to best advantage.

In addition to the proprietors of the cafe, seven other persons residing at Woodson have passed the first aid course. They are Mrs. Lucille Atkinson, Miss Irene Smith, Mrs. Leona Babb, Mrs. Emma Taylor, Mrs. Rube White, Mrs. Ethel Harney and Mrs. Lucille Jones.

The first aid station is easily distinguishable to highway travelers by two large signs erected on 10 foot poles. The opening of the station was in charge of Miss Alma Mackness, secretary of the Morgan County Red Cross chapter, and the first aid committee consisting of Alfred Cowdin, Frank Sullivan, W. L. Lucas, William Saville and Kenneth Woods.

The first aid kit and leg splints were purchased by the county chapter at a

cost of \$15. Location of the signs was in charge of state highway patrolmen, who are cooperating throughout the state in the opening of Red Cross first aid stations.

It is the purpose of the Red Cross to provide emergency equipment at many points, to be used until accident victims are placed in care of physicians. A list of available physicians is a part of the first aid equipment at Woodson.

Other such stations are expected to be opened within a short time at Weigand's tourist camp at Alexander, and near the Wilson corner on the Jacksonville-Winchester hard road.

New Berlin Woman's Club Holds Meeting

Second Meeting of Year is
Taken Up with Business;
Other Clubs Meet

New Berlin—The New Berlin Woman's Club held its second meeting of the club year at the home of Mrs. Joseph Wolf with Mrs. Russell Saul, assisting. The garden committee with Mrs. Russell Saul chairman had charge of the program. The meeting opened with the Pledge of Allegiance to the flag, led by president President Mrs. Short.

A lengthy business session followed. A report of the board meeting of the 21st district held at the Elks club in Springfield Thursday, was given by Mrs. Short, by Mrs. A. E. Washburn, district chairman of Scholarship Loan Fund, and Miss Grace Fouch, educational chairman. New Berlin rating second in the district in donating to Scholarship Loan Fund. The club voted on donating \$2.00 to Park Ridge School for Girls. Mrs. Short reported on Oct. 11th Bird Day. Program following: A playlet, "Mother's Garden" given by nine pupils from the grade school, namely: Norma Jean Carter, Doris Dunbar, Wanda and Harriet Long, Louise Prince, Patty Lewis, Marcella Bullock, Colleen Reed, Helen Colvin dressed in costume, representing flowers, was enjoyed. Mrs. Lilla Endris, Home Economics teacher in the high school then gave a delightful talk on "Wild Flowers. A social hour with refreshments followed.

The Ladies' Aid Society with invited friends numbering 47 were delightfully entertained at the Illinois State Journal rooms Thursday afternoon at the Homemakers Institute. Mrs. Rollins entertained with a demonstration of quick rolls and salads, after which they were served at lunch to the visitors. Mrs. Walter Wenneborg of the Ladies' Aid also gave part of the program by reviewing the book, "North to the Orient" by Anne Lindburg, which proved to be an interesting afternoon.

The Bates-New Berlin Missionary Society met in an all day meeting with a potluck dinner at the home of Miss Besse Maxwell Thursday with a large number of members present. After a delicious meal the program of the afternoon was given by Miss James of the Y.M.C.A. of Springfield. She gave a most interesting talk on her two and one-half years work in Honolulu and was well enjoyed.

CCC Applicants to Be Examined Oct. 8

Eighteen Have Applied and
More are Expected by
Relief Executive

A physical examination for Morgan county applicants for service in CCC camps will be held at 8:30 o'clock on Thursday, Oct. 8, according to announcement Saturday by L. B. Turner, county relief administrator. The examination will take place in rooms of the Morrison building, south of the court house, in charge of Lieut. Ernest R. Schwarm of Camp Jacksonville.

Eighteen applications for CCC enrollment are now on file with the relief administrator, at whose office young men must apply to enter the CCC. The relief administrator passes on qualifications of the applicants and then forwards their names to Miss Elizabeth Redmond, certifying agent.

No quota has been assigned this county, so that the relief administrator is receiving additional applications.

Men between ages of 17 and 28, inclusive, from relief or WPA families are eligible to enroll in the camps. Men who have previously served in camps must have an honorable discharge for re-enrollment.

The contingent to be sent to camps from this county will each receive \$30 per month, from which \$25 is sent to the families of the enrollees.

CHANDLERVILLE MAN HURT IN CAR WRECK

Chandlerville.—Frank O'Neill, 61, a resident of this place, was injured Friday evening when the automobile in which he was riding overturned on a hard road near Pleasant Plains. Complaining of injuries to his chest and back, O'Neill was taken to St. John's hospital at Springfield.

He was a passenger in a car driven by Edward Barrett of Springfield who said he was blinded by lights of another machine. Barrett sustained slight injuries and was able to leave the hospital.

Miss Mary Fox who underwent an operation for relief from appendicitis in the White Hall hospital Thursday is doing very nicely.

Mrs. Cornelius Clark who underwent a major operation in White Hall hospital several days ago is doing very nicely.

Mrs. C. A. Ruckel who has been a patient in the White Hall hospital suffering from a broken hip for several weeks continues to improve very satisfactorily.

Elder J. O. Raines is home from Raleigh, where he closed a two weeks' revival Tuesday, September 21st. He will go to Warden to begin a revival meeting Sunday, September 27.

World War Nurse is Secured to Work in Public Schools Here

Board of Education Names
Miss Snyder; Miss Wiley
Named to Vacancy

Miss Minnie Snyder, who served overseas six months during the World War, and who for the past six months has been working with the Oak Lawn Sanatorium here, has been hired by the Board of Education to serve as public health nurse for the public schools for the present year. Miss Grace Wiley, of this city, also has been hired by the board to fill the vacancy caused by the resignation of Miss Georgia Smiley, who terminated her contract with the local school system in order to accept a position at Park Ridge, near Chicago.

Miss Snyder is a graduate of Barnes hospital, in St. Louis. She served as

a government nurse for six months in this country before going abroad to serve with the American nurses overseas. Since that time, Miss Snyder has done private nursing in Chicago, New York and Los Angeles.

For six years, Miss Snyder was public health nurse of Iriquois. She also was employed for three years by the East St. Louis Anti-Tuberculosis society, and came here six months ago as field worker for the Morgan County Anti-Tuberculosis society. She has been certified by the state department of education and registration to do public health nursing.

Miss Wiley probably will teach the fourth grade in the Lafayette school when that school is reopened in its new building, and until that time will teach the pupils of that grade in the Junior high school.

Miss Wiley is a graduate of MacMurray college and has had two years of practice teaching. Miss Smiley, whom she will succeed, resigned her position here to accept a position at Park Ridge, at an increase of 70 per cent in salary.

EBENEZER LADIES' AID SOCIETY HOLDS MEETING

The Ebenezer Ladies' Aid met Wednesday, September 23rd with Mrs. Carl Martin with Mrs. A. E. Williamson and Mrs. A. W. Waltman assisting.

The meeting opened by singing "I Love to Tell the Story." Devotions were led by Mrs. A. E. Williamson, who read the 13 Psalm, followed with prayer by Mrs. Underwood.

The business session then followed with plans for a chicken supper to be held in October. At the close of the business session a short program was given.

Several poems were read by Mrs. Underwood. A short reading by Mrs. Lloyd Moss and Rev. Underwood then dismissed with prayer. Delicious refreshments were served by the hostesses.

Wabash Officials Promise to Repair Crossings in City

Meet with State Commerce
Commission Official and
City Engineer

Wabash railroad representatives who
attended a conference here Friday
gave assurance to the city that its

crossings will be leveled and repaired.
Crossings at North Main street, North
East street and North Clay avenue re-
ceived the most discussion as the sit-
uation was studied by a group of offi-
cials. These crossings are considered
to be in greatest need of repair of any
of the 16 Wabash crossings within the
city.

C. B. Davidson, trainmaster, and A.
B. Pyle, track supervisor, came from
Decatur to meet with A. B. Roe of the
Illinois Commerce Commission, and
Kenneth Stapleton, city engineer. The
Wabash representatives promised ac-
tion on the crossing situation, but will
submit the program to other officials
of the road before action is taken.
Stapleton pointed out the need for
leveling a number of crossings, and in

some instances changing the rail level.
Rails of the middle tracks at several
points are nearly 10 inches higher than
the outside tracks, he said, causing a
distinct bump when ever traffic passes
over the crossings.

The city engineer said he would
make a report of the conference at the
next meeting of the city council, which
some time ago communicated with the
Commerce Commission about the con-
dition of the crossings.

Mrs. Mary Brannan Dies in Hospital

Carrollton Woman Succumbs
in Local Hospital; Func-
eral Monday

Carrollton—Mrs. Mary Brannan, 29,
of this city, died at 12:30 a. m. Satur-
day in Our Saviour's hospital, Jack-
sonville, after a short illness. She is
the wife of Harold Brannan, a farmer,
who resides near Eldred.

The remains were removed to the
Meil and Son funeral home where
they will lie in state until the funeral
Monday at 2:30 p. m. at the Carrollton
Baptist church. The Rev. W. M. Row-
len will be in charge of the services.
Burial will be in the Carrollton city
cemetery.

Mrs. Brannan was born in Carroll-
ton 29 years ago, the daughter of Mr.
and Mrs. Jess Logan. She is survived
by her husband, her father and four
brothers, George, Frank and William
Logan of St. Louis, and Lloyd, of
Roodhouse. Her mother preceded her
in death two years ago.

3 Dead, 5 Injured in Car-Truck Crash Near Mt. Olive, Ill.

Report Auto Smashed Into
Side of Truck on a
Straight Highway

Mt. Olive, Ill.—Three members
of one family were killed and five
others injured seriously this morning
when their automobile crashed into
the side of a truck three miles north
of here.

Four of the five apparently had
small chances to recover when they
were taken to a hospital at Litchfield.
The dead:
Ned Warrick, Kenney, Ill., burned to
death in the car.
Shirley Ann Warrick, 4, grand-
daughter, killed outright.
Warren Wesley Warrick, 11, brother
of Shirley Ann, died in St. Francis
hospital.

The family was driving southward
and the small coach and the fruit
truck it hit both burned in the wreck.
Ivan Warrick, father of the chil-
dren and driver of the car, was criti-
cally hurt. His wife also was uncon-
scious in the hospital.

Others injured were: Mrs. Ed War-
rick, whose injuries included a broken
leg; and two other children, Corrine,
10, and Dorline, 11.

Glen C. Huss of Kalamazoo, Mich.,
driver of the truck, was not hurt and
said he could not understand how the
accident took place on a straight
highway.

MONETARY CRISIS IN FRANCE TO SHOVE UP WHEAT PRICE, CLAIM

Chicago.—(P)—Higher prices for
wheat, rather than lower, are now
being predicted by some Chicago grain
trade leaders as the probable outcome
of France's monetary crisis.

Siebel C. Harris of Harris, Burrows
& Hicks says: "It is our belief that the
ultimate inference from currency de-
valuation is a higher price level for
commodities the world over."

Despite nervousness shown regard-
ing unsettlement of European ex-
change rates, wheat this morning com-
pared to a week ago was 21-34 cents a
bushel higher, with corn unchanged
to 1 lower, oats unchanged to 1 off, and
rye cents to 34 cents up. Simulta-
neously, provisions were 20 to 27 cents
down.

A bearish influence as to corn and
oats is that the corn-hog price ratio
is as unfavorable now as it was favor-
able a year ago. Rye attracts buyers
as seeming at a bargain discount under
wheat.

Likelihood that hogs will be mar-
keted freely tends to pull provisions
lower.

Morgenthau Reveals Drive on Sterling Started by Russia

Offset Effect Here by Use
of Stabilization Fund

Washington.—(P)—Secretary Mor-
genthau disclosed today that the
Russian State Bank had moved to
drive down the price of the pound
sterling and that he had offset the ef-
fect of this action by use of the
treasury's stabilization fund.

Morgenthau told a specially-called
press conference that in the wake of
a monetary understanding between
France, Great Britain and the United
States looking toward stability of
currencies the Russian State Bank
had given an order to sell 1,000,000
pounds sterling at any price.

Morgenthau said that this move had
been successful in driving down the
price of the pound from \$5.02 to \$4.91.

"When I learned of this," Mor-
genthau said, "I bought their (the
Russians') sterling."

"I bought with the stabilization
fund money the sterling the Russian
State Bank was using to depress
sterling."

Morgenthau called attention to a
paragraph in a treasury statement is-
sued last night outlining the tri-
power monetary agreement which said
the United States, France and Great
Britain invited "the cooperation" of
other nations to realize a monetary
policy which would lead to more
stability of economic relations.

The statement added that this gov-
ernment "trusts that no country will
attempt to obtain an unreasonable
competitive exchange advantage and
thereby hamper the effort to restore
more stable economic relations."

The move by the Russian State
Bank, Morgenthau said, "was the
only instance today of any govern-
ment, any bank or any individual to
try to artificially influence the for-
eign exchange markets in the United
States."

He pointed out that the exchange
markets in London and Paris now are
closed.

"I sincerely hope," Morgenthau said
earnestly, "that this incident will not
be repeated."

TWO CARS CRASH AT ALLEY INTERSECTION

A taxicab and another automobile

Asphalt Plant to Be Shipped Monday

Preliminary Work on Paving
of Public Square Will
Start Next Week

Operations preliminary to resurfac-
ing Jacksonville's public square and
North Main street from the square
to Douglas avenue, are scheduled to
get under way during the coming
week. R. McCallman of Danville,
spent Friday here arranging for set-
ting up an asphalt heating plant
along the Wabash railroad, near the
Ell Bridge company factory. Mr. Mc-
Callman said shipment of the plant
will be made from Danville Monday,
and the remainder of the week will be
spent in putting it in readiness.

Preliminary work on curbs and
sidewalks may be started the last of
the week. The square is to be resur-
faced with bituminous asphalt.

A WPA project which calls for re-
moval of street car tracks on North
Main street from the square to Doug-
las avenue, and the laying of a con-
crete base, is scheduled to begin Mon-
day.

Wabash Defeats Blueboys In Muddy Opener By 6 To 2 Score

Relative Merits Of Four Members Of Series Set Is Provoking Hot Arguments

New York, Sept. 26.—(P)—The relative merits of four members of the world series set—the rival managers and catchers—are provoking the hottest kind of arguments since the Giants clinched the National League pennant.

On most of the other spots in the lineup—the infield batting punch of the Yankees and the outfield slugging of the Giants, the pitching of Carl Hubbell, the rival defensive strength, and so on—there is more or less agreement, but any attempt to give the edge to either of the men at the wheel or the men in the plate is picking a fight in either camp.

Over in the Giants' camp there are Bill Terry, pilot of a pennant winning club for the second time in five years, and catcher Gus Mancuso, "iron man" of major league receivers, not as powerful a batter as Dickey, but a dangerous man in the clutch, nevertheless.

Both the men in the drivers' seats are the brainy, master-minding type. McCarthy developed this sense in four and a half years with the Cubs, where he won one National League pennant, and six years with the Yankees, who now have won two American League titles for him.

Terry worked under John McGraw for nearly ten years, and he was McGraw's candidate to take over the reins.

Terry is a brusque type. No gladder, he concentrates on the job in

Illinois Beats DePaul 9 to 6

Champaign, Ill., Sept. 26.—(P)—Slender Lowell Spurgeon kicked a slippery, tricky ball between the uprights from 27 yards out today to give Illinois three big points and a 9 to 6, opening victory over an inspired DePaul university eleven from Chicago.

Until Spurgeon swung his foot against the ball early in the final period, it appeared Illinois would have to settle for a 6 to 6 tie, so sturdily had DePaul fought the first three-quarters of the game.

DePaul, figured to give Illinois' sophomores a thorough testing, accomplished even more than that. Coach Bob Zupke started six first year men in his lineup, and before he could replace them with tried veterans, DePaul scored a touchdown early in the first period for a lead that stood up well into the second.

A quick-kick by Bob Postea, whose punting overshadowed the efforts of Illinois' Ken Nelson and Jay Wardley, started DePaul to its touchdown during the second minute of play. It went out of bounds on the Illinois seven-yard line, and Wardley's return boot traveled only to his own 35. Willie Phillips tossed a 13-yard pass to Postea, and on the next play Phillips dashed through Illinois' left tackle for 23 yards and a touchdown. Rain started to fall and Postea's place-kick for the extra point went astray.

Illinois veterans were rushed to the rescue but it was not until late in the second period that a scoring opening came. Nelson kicked out of bounds on DePaul's five yard line, and Postea was forced to kick back from behind his own goal line. Lou Stasica, who made brilliant returns while he was in the Illinois battle front, raced back 20 yards to DePaul's 36, and carrying the ball nine times out of ten plays, ripped to DePaul's one-yard mark. Ken Zimmerman, a sophomore, blasted over the touchdown. The try for the point went wrong.

A heart-breaking pair of fumbles on one play opened the way for Spurgeon's place kick. Phillips fumbled one of Wardley's kicks in the final session. Bill Corrigan, DePaul substitute back, grabbed the ball, but lost. Illinois' captain, Elvin Sayre, recovered on DePaul's 12. Spurgeon, standing on the 27-yard line then kicked home the winning points.

DePaul outgained the Illinois by rushing, 192 yards to 156 and had an edge in first downs, 7 to 6. Illinois, however, benefited hugely by the punt returns to Stasica and Tony Mazeka. The Illinois sophomores ripped off return of 20 or more yards on three occasions, contributing heavily to the total yardage of 154 in return of kicks. Illinois presented little variety of attack, using wide end runs most of the afternoon, with fair success. The Illinois tried only three passes, probably because of the condition of the ball, and tried only one lateral.

The summary:

Score by Periods
DePaul..... 0 0 0 0—0
Illinois..... 0 6 0 3—9
DePaul scoring: Touchdown, Phillips. Illinois scoring: Touchdown, Zimmerman (sub for Broad); field goal, Spurgeon (sub for Wehrli) (place kick).

I.S.D., Roodhouse Games Postponed

Football Fields Under Water In Springfield; to Be Played Monday

Illinois School for the Deaf and Roodhouse High school football teams were washed out of their opening games of the season Saturday in Springfield, but both teams will get into action Monday when Roodhouse plays Feitschans at 3:15 and the Tigers play park's lighted field.

Both games were called off when a heavy rain hit Springfield shortly before noon and put the football fields out of sight. Water covered both the Lanphier park grid and the Feitschans field.

Coach S. Robey Burns of the Tigers was disappointed by the postponement, but expects to have his Tigers just as much keyed up for the opener as they were Saturday. Taking no cognizance of the postponement, the Tigers went out on their campus, picked out a good piece of turf, and worked on their signals.

There was a big puddle of water in the middle of the Tiger field, preventing much work there. The Tigers had hoped to be able to use the new field at the Fairgrounds park this fall, but the WPA project under which this improvement is to be made, has not begun as yet. It is proposed to construct a football field in front of the grandstand at the fairgrounds, and to move the Illinois college lighting system over there, where it will be available to I.S.D. and college teams.

Make Most of Single Chance To Score in Second Half; I.C. Fumble Stops Scoring Drive

The difference between Wabash college, of Crawfordsville, Indiana, and Illinois College yesterday in the opening game of the football season for both teams was that the Little Giants were able to make the most of their scoring chance, while the Blueboys ingloriously bungled theirs.

Wabash, after punty threats during the battle which was fought out on a field which was ankle deep in mud on one end, worked their way to solid footing just once and went over the goal line. The Blueboys likewise got their feet on good turf once, got within a yard of the goal line—and fumbled. Wabash won the game with a 6-2 score, the Little Giants taking a safety after they recovered the Blueboy error, just to be sure that they got the ball out of the danger territory with a minimum of chance that something might go wrong.

Despite the score, the Blueboys had the best of the argument in ground gained. They marked up eight first downs against three for the Little Giants, and put on two drives which looked as if they might reach the payoff stripe.

Another Blueboy error prevented what appeared to be a promising threat shortly after the second half opened when Clayton Lambert, a substitute fullback, shot through the Little Giant line and splashed 40 yards through the toughest kind of going to get the ball to the Wabash ten yard line before he was hauled down. The play was called back because the Illinois right end was off-side on the play.

Wabash Collects

Although the Little Giants made only three first downs, they put them together in the drive that netted the winning score. They took the ball on the Illinois 46 yard line, late in the third quarter, and on the first play, broke Klidoski loose for a 16 yard sprint along the sidelines, where the footing was good. Little Giant interferences moved down the Blueboy second string backfield and at least one second string end to make the run possible.

The next play resulted in a seven yard gain with Gruca lugging the rapidly drying ball on a reserve play. First string backs rushed into the game, and Tony Donat brought down White, a Wabash back who tried to run wide around the Blueboy end, for a seven yard loss. Gruca made six more yards, putting the ball on the Blueboy 24 yard line.

Then the visitors crossed up the Blueboys with a pass on the fourth down. Gruca tossed it to Pack down the center for a 12 yard gain, putting the ball on the 12 yard line. Gruca made a yard on a spinner. Pack picked up another with a drive off tackle, and then Gruca threw a pass to Johnson out in the middle of the field, Johnson tumbling under a tackle on the I. C. four yard line.

Gruca made a first down on the I. C. yard-and-a-half line, just as the gun ended the third quarter. Reversing goals, the Little Giants found themselves standing in the mud. Their first shot at the Blueboy line netted a couple feet, and their next drive opened a slight hole off tackle, over which Gruca went for three feet and a touchdown. Wabash completed the pass on an attempted conversion, but the pass receiver was tackled in the scrimmage zone.

Blueboys Come Back

The Blueboys kicked to Wabash and held them down on the firm footing, and took the ball on a punt on the Illinois 44, just about the middle of the deepest mud. The I. C. backs were unable to gain through the mud and the Wabash team, had a 15 yard penalty tacked on them for interfering with a Wabash player who had an opportunity to intercept a forward pass, and finally punted, the Wabash safety man allowing the punt to roll dead on his 16 yard line.

The Blueboys took the ball in mid-field, after holding the Little Giants, and began their march to the goal line. Mangieri hit the line for a yard, and then arched a pass perfectly to Lorenz for 14 yards. Ray Smith slashed off tackle, shook loose a couple Wabash tacklers at the line of scrimmage, let another man hit him, and finally came down with two Little Giants hanging onto him after a 15 yard run to the Wabash 20. Smashing away again, Capt. Smith picked up five more yards, a spinner failed to gain, and Wabash got off-side to give the Blueboys a first down on the Wabash five yard line.

Spuehr lost a yard when he slipped on the turf, Smith caught it back, and Spuehr carried the ball up to the one foot line.

Take a Safety

Wabash didn't try very hard to run the ball out of the end zone on the following play, Klidoski falling in the end zone almost as soon as Lorenz hit him with a light arm-tackle. That safety permitted Wabash to take the ball out to their own 20 yard line and put it in play by a free kick. Klidoski booting the ball on a punt way back in the mud, where the last hope of the Blueboys faded when Wabash recovered a fumbled lateral pass.

There wasn't much difference between the two teams. Wabash had a little the best of a punting duel in the first quarter, keeping the Blueboys backed up in the mud, and Blueboys took the offensive with two minutes to go in the second quarter when Jack Hartong blocked a Wabash punt on the Wabash 48 yard line. Tearing through the mud and water on the west end of the field, Mangieri ripped off nine yards, Ray Smith picked up five, Russ Spuehr slipped in the mud with a clear field ahead of him and a five yard gain, and Mangieri made five more to carry the ball to the Wabash 21 yard line where the half ended.

Statistics show that Illinois gained a slight margin. Wabash gained 95 yards from scrimmage, and Illinois went through the line and around the ends for 58 yards and through the air for 27 yards. Illinois gained 19 yards on passes and 95 over the ground. Wabash completed three out of five passes, while the Blueboys completed three, one fell incomplete, the officials ruled offensive interference on another, and one of them was intercepted for a six yard Wabash gain. Klidoski averaged 28 yards on 11 attempts at punting, including the punt that was blocked, and Ray Smith, who did all of the Illinois punting, averaged a fraction over 27 yards on nine punts.

The Little Giants would have been a much trickier team on a dry field. They grabbed almost every opportunity they had to make lateral passes unexpectedly, but at no time did this maneuver gain ground. The Blueboys tried a couple laterals, and had one of them recovered by the visitors, and lost ground on another.

Will Complete Soft Ball Card This Week

Lights Will Be Taken Down After Sept. 30; Cosgriffs Win Title

Jacksonville's soft ball season is fast drawing to a close after a most successful season, the Park superintendent having notified Secretary Hermann of the YMCA that the electric lights will be disconnected September 30.

For a number of years the Jacksonville YMCA has promoted baseball and soft ball leagues. Never before, however, has there been anything like the interest displayed this year. Thousands of spectators have attended the games which have been played five nights every week. Thirty teams of men and women comprising some five hundred different players participated in the sport. And while the "All Star" team which was sent to St. Louis for the tournament failed to win, the showing which it made in its game against Kroegers, which is one of the leading teams in all St. Louis, was most pleasing.

The city championship was determined during the past week when Cosgriffs' Cafe team succeeded in taking two games of the three-game series, played against Myers Bros., who had won an earlier series of games.

Games will be played on Monday and Tuesday nights cleaning up the remaining unplayed games. At 6:45 the A. & P. team will play their game against the Buick Boys to determine the winners of the National League. At 8:00 the Amalgamated Girls will play their final game against the Dodge Beauty Winners, and at 9:15 Brown's Business College will meet the Kroger Stores. For Tuesday, only one game has thus far been scheduled, the game between the Postoffice and the DeMolay Boys. If other games which should be played to finish the season have been omitted, Secretary Hermann of the YMCA should be notified at once.

Indians Skin Tigers 5 to 3

Cleveland, Sept. 26.—(P)—Willis Hudlin, dean of the Cleveland pitching staff, held the Detroit Tigers to five hits today to score his first victory on the even of the season's end. The score was 5 to 3.

The veterans Tribe hurler contributed, in addition, a double in the seventh to help the Indians stage a four run rally. The two bager sent Knickerbocker to third. Hughes doubled to score Knickerbocker. Hudlin and Hughes came in on Hale's single. Trosky singled to score Hale.

Reds Smother Pirates 5 to 1

Cincinnati, Sept. 26.—(P)—The Cincinnati Reds assured themselves of fifth place in the National League pennant race today by defeating Pittsburgh 5 to 1. The defeat joined the Pirates' hopes for third place.

In the third inning, with the bases loaded on a walk, single and hit batsman, Lombardi hit a long fly to the scoreboard which Lloyd Waner lost in the sun and it went for a double, scoring Walker, Goodman and Cuyler.

GAME RAINED OUT
Milwaukee, Sept. 26.—The second baseball game of the little world series between Buffalo of the International League and Milwaukee of the American Association, scheduled for tonight, was called off late today because of rain. Milwaukee won the opener last night, 7 to 5.

Minnesota Beats Washington 14-7

Seattle, Sept. 26.—(P)—Still on a triumphant rampage, the University of Minnesota opened its 1936 football season today with its 18th consecutive victory, smashing the touted University of Washington Huskies 14 to 7 before a capacity throng of 37,000 in Washington stadium.

The big intersectional battle was a toss-up until the final period when the Minnesota warriors, making their own breaks, and taking advantage of them, put over the winning touchdown on a perfectly executed pass.

Just when it looked as if Washington might forge ahead, with the ball in possession of the Huskies on the Minnesota 20 yard line, big Earl Svendsen came from nowhere to intercept a long pass and the national champions were off to the races.

They punted, hoped for a break and got it. Byron Haines, Washington's cracker-jack triple threat, fumbled a punt and Ray Antil recovered for Minnesota on the Washington 30 yard line.

Taking to the air for the first time, Clarence Thompson wasted one pass, but the next, Julius Alphonse to Charles Wilkinson, clicked for 20 yards to carry the Gophers to Washington's 10 yard stripe.

The Huskies knew another pass was coming but it was screened so well they couldn't do a thing about it. Half-back Andy Uram, who played as a substitute, shot the ball over the goal line and Ray King, an end, hauled it down in the clear.

Alphonse and Matheny took turns cracking the Washington line and they got within three yards of the goal line before the first period ended. Starting the second Uram bucked for one and Rork ploughed through center for the first touchdown.

Washington came back with a vengeance in the third after it got the advantage on another break.

Matheny fumbled the kickoff and Fritz Waskowitz recovered for the Huskies on the Minnesota 27. Three downs made little or nothing and Waskowitz whipped a pass to Elmer Legg for a first down on the Gopher 10.

The Minnesota gridders dug their cleats into the turf and held Haines and Waskowitz to four yards, but they failed to fathom the following pass which Haines heaved to Dick Johnson in the end zone, and the Huskies had matched the Gopher touchdown.

Johnson caught the aerial shot going away from the opposition.

All three try-for-points were converted, Wilkinson booting the two for Minnesota, and Legg one for Washington.

The Huskies lost their chief line-splitter in the first period when Cain was injured on a lateral pass he fumbled and he was carried from the field. Minnesota also lost Rork for a time when he was hurt in the second.

Minnesota has rolled up a record of 25 straight games without defeat but four times were mixed with victories in 1933. Since the last tie, the Gophers have won 18 in a row.

Coach Bierman said after the battle that he was well satisfied with the work of his gridders, and that he was "tickled pink" over the victory.

Score by periods:
Minnesota..... 0 7 0 7—14
Washington..... 0 0 7 0—7
Scoring: Minnesota—Touchdowns, Rork, King; point from try after touchdown, Wilkinson (2).
Washington—Touchdowns, Johnson; point from try after touchdown, Legg.

WESLEYAN DEFEATED
Shreveport, La., Sept. 26.—(P)—Centenary College gentlemen turned in their third win of the season today by defeating the Illinois Wesleyan Titans of Bloomington, Ill., 21 to 7.

The visitors scored in the last quarter after a blocked Centenary punt had rolled from midfield to the Gents three yard stripe. A forward pass scored. It was the first time Centenary's goal had been crossed this season.

Appling Appears To Be Winner

Chicago, Sept. 26.—(P)—It isn't official until the league statisticians go into a huddle, but Luke Appling of the Chicago White Sox appears to have won the honor of being the first shortstop ever to capture the American League batting crown.

The hustling Sox infielder, according to averages released today and which included games of Friday, had a mark of .388, and with the season ending Sunday it looked as though the circuit's highest batting award was his. In 136 games, Appling had smacked out 202 hits in 520 trips. During the week Luke added six points to his mark.

In second place was Earl Averill, Cleveland outfielder, who had an average of .378, representing a three point gain, while Bill Dickey, New York Catcher, slipped three points to .357 and third position, Gerald Walker, star Detroit outer-gardener, had a mark of .355.

Other leaders, practically all of whom kept the same position in the "first ten" that they held a week ago, were:

Gehrig had scored 187 runs, while the runs driven in lead again was held by Trosky, with 158 runs sent home. Averill, with 229, held the most hits lead, with Gehringer leading in doubles, with 58. Averill, and Joe Di Maggio and Red Rolfe, New York, were tied at 15 for the triples honors and Gehrig, with one added during the week, had 49 home runs to top that department. Lynn Lary of St. Louis continued to set the pace for stolen bases with 36.

Among the pitchers, the leader again was Irving (Bump) Hadley of the Yankees, whose 13 wins and four defeats gave him the top percentage ranking. Pat Malone had 12 wins and four defeats to stick right behind his teammate, while another Yank, Monte Pearson, with one defeat during the week, had 19 wins and seven beatings.

Vern Kennedy of Chicago found the going tough and dropped two games in the seven-day period, making his record 21 wins and nine defeats, while Tommy Bridges, slender Detroit ace, had 23 victories and 10 losses.

Cleveland held onto the team batting with a mark of .302, representing a one-point drop, while the team fielding lead belonged to Detroit with an average of .974, one point off their pace of a week ago. Chicago continued to hold the double play leadership with 165 double-killings.

Cubs Beat Cards Easily 12 to 2

St. Louis, Sept. 26.—(P)—The Chicago Cubs, fighting for a tie for second place in the National League, pounded five St. Louis Cardinal pitchers for a 12 to 2 victory today.

The defeat cut the Cardinals' margin to one game and on tomorrow's final contest of the season rested whether they will occupy second place alone or in company with the Cubs. A tie will mean the two teams split second and third place money.

Home runs by Phil Cavarretta, Augie Galan and Johnny Gill paced the Cubs' 19-hit attack on Jim Winford, Bill McGee, Ed Heusser, Cotton Phippen and George Earnshaw.

Bill Lee held the Cardinals to two hits and no runs until the ninth inning when Pepper Martin's double, Johnny Mize's single and Charley Gelbert's double produced their lone tallies.

Yankees Defeat Senators 3 to 1

Washington, Sept. 26.—(P)—The New York Yankees added another record to their long string today as they downed the Washington Senators 3 to 1, getting eight hits to surpass the American League mark for total bases by one club in a season.

Their seven singles and a double boosted their total bases to 2,650, compared to the old league record of 2,657 compiled by the Yankees of 1930.

Lefty Gomez and Bump Hadley divided the mound assignment for the Yankees between them holding the Senators to three hits.

CHICAGO WINS
Chicago, Sept. 26.—(P)—Chicago's Maroons, starting their first campaign in four seasons without the services of Jay Berwanger, overwhelmed an outclassed but game Lawrence college eleven of Appleton, Wis., 34 to 0 at Stag Field today before 24,000 rain-chilled spectators.

Dodgers Wallop Giants 9 to 2

New York, Sept. 26.—(P)—The National League champion Giants looked like anything but that today as they took a 9 to 2 wallop at the hands of their one-time jinxes, the Brooklyn Dodgers.

Freddy Frankhouse limited the Giants, who fielded a second-string team, to nine hits while his Brooklyn mates pounded Lefty Al Smith, Clyde Castelman and Dick Coffman for 13 hits. It was Frankhouse's 13th victory against ten defeats for the season.

Score: Brooklyn, 041 022 000-9 13 0
New York, 000 110 000-2 9 1

SPLIT SERIES MONEY
New York, Sept. 26.—(P)—The Giants split up their World Series Cut today, voting 27 full shares and splitting up \$3,100 more among five others.

Each of the 23 regulars on the roster, including manager Bill Terry, take a full-size cut out of the series melon. So will Coaches Brannick and trainer Willie Schaeffer.

The smaller portions are split up among ground-keeper Henry Fabian and club house tender Fred Logan, each of whom has voted \$1,000; Logan's son and assistant, Eddie, \$500; the 17-year old batboy, Tommy Troy, \$500, and \$100 for special policeman Queneay, daily guard at the clubhouse door.

IOWA BEATS CARLETON
Iowa City, Ia., Sept. 26.—(P)—Iowa passed its first 1936 football test this afternoon, whipping Carleton College 14 to 0 in a muddy battle at Iowa stadium.

Oze Simmons, shifty Hawkeye negro back, broke a scoreless deadlock in the third period with a dazzling sixty yard run through the rain to wilt the Carleton resistance. Carleton threatened only once.

The second Iowa touchdown came in the fourth period as Simmons took the ball on his own 37, breaking into the clear before fumbling and recovering the ball at midfield.

BEAT PURDUE
Champaign, Ill., Sept. 26.—(P)—Illinois' "B" gridiron squad defeated the Purdue Bees, 12 to 0, today in a curtain raiser to the DePaul-Illinois varsity battle.

Bill Bishop, Illinois half back, took a lateral pass from Red King and ran 29 yards for the first touchdown in the second period, and snatched a 20 yard forward pass from King in the third session and ran 15 yards more over the goal line.

BEAT BRADLEY
St. Louis, Sept. 26.—(P)—Washington University of St. Louis, easily defeated Bradley Tech of Peoria, Ill., today, 32 to 0, in opening its 1936 football season.

A forward pass, three line hucks and an end run brought Washington its five touchdowns, three of them in the second half. Bukant and Vore scored two each, O'Toole the other.

PARSONS TIES MACOMB
Macomb, Ill., Sept. 26.—(P)—Parsons College of Fairfield, Ia., and Western Illinois Teachers of Macomb battled to a scoreless tie in a steady rain today.

Western's best scoring chance faded on the Parson two-yard line marker when the Teachers held for downs just before the second period ended. For the most part play was in midfield.

N.L. Hitters In Close Battle

New York, Sept. 26.—(P)—The battle for the National League batting championship became tighter than ever during the past week with the Pirates' Paul Waner and Brooklyn's Babe Phelps all but tied up in a race that won't be decided till the windup of the season tomorrow.

The Dodgers' slugging catcher picked up considerable ground over the seven-day span to just about overtake Waner, who went into a mild slump. Standings after Friday's games showed Waner with .372 and Phelps at .372.

Waner seeks to keep the crown in the Pittsburgh family, and repeat his triumph of 1934. His clubmate, Arky Vaughan, won it last year. Phelps is after the first batting championship for Brooklyn since Lefty O'Doul took it back in 1932.

The two leaders completely outdistanced the rest of the field. Ducky Medwick of the Cardinals retained third place, with .354, trailed by Frank Demaree of the Cubs with .346; his teammate, Billy Herman, with .336; Vaughan, with .335; Ernie Lombardi, Reds, .332; Kiki Cuyler, Reds, and Johnny Moore, Phillies, each with .330, and Mel Ott, Giants, with .327.

Only one change featured the standings in other departments of individual play. Ducky Medwick regaining the lead in base hits from Waner. Medwick connected safely 13 times to build up his total to 221, while Waner collected only five safeties for an aggregate 215.

Medwick also retained the lead in doubles, breaking the major league mark with a total of 64 to 56 for second-place Billy Herman. The St. Louis clouter continued in the van in runs batted in, with 139 and remained in the three-way tie with Dolph Camilli of the Phillies and Ival Goodman of the Reds in triples, each with 13.

Vaughan continued to pace Pepper Martin of the Cardinals in run scoring, 121 to 120, while Ott held onto

the lead in homers, with 33. The Gas-House gang's Martin Boys, Pepper and Stu, retained their one-two spots in stolen bases, Pepper with 22 and his clubmate with 17. Carl Hubbell had 26 wins and 6 defeats to lead the pitchers, running in front of Red Lucas with 15 and 4.

We have the Exclusive Agency in this City for the famous

Knit-tex Coat

In this community we are the only store privileged to sell the nationally famous Knit-tex coat, America's largest selling and most popular topcoat. This great over-garment is the most useful coat a man can own. It is extremely good-looking—soft and luxurious to the touch. It provides ample warmth on all but the coldest days and in mild weather it is never burdensome. It is sturdy and long-wearing and never wrinkles. In addition, it resists moisture and drizzle to a remarkable degree. It is a coat you can wear with equal confidence when you go to business—when you travel—when you go motoring—or spend the week-end at the country club.

LIBERTY CEMETERY TO PROMOTE COLLECTION OF VALUABLE RECORDS

The movement to collect, compile and preserve data from monuments and tombstones, thus perpetuating important historical facts, is being promoted by the Liberty cemetery near Markham, one of the oldest burial grounds in this part of the country. The plan is to list all graves whether marked or unmarked, with the dates and other details including epitaphs and to file this record for safe keeping with the State Historical Society. Anyone who can give accurate information concerning any unmarked grave is urged to communicate with the secretary or some other member of the board.

A special effort is being made to locate the graves of veterans. The following incomplete list has been compiled: Charles Lazenby, Robert Marshall, Denby Scott, Thomas Scott, Henry Swettart and A. A. Thomas, all veterans of the Civil War with the Union Army; Edward Cunningham of the Confederate Army; William Marshall, Black Hawk War; and Julian Marshall, veterans of the World War.

A collection of clippings of obituaries and funerals is also being made and the secretary wishes to receive any of these records, especially those of remote date, that are available and are not needed elsewhere.

At the meeting of the board held Friday evening, plans were discussed for the annual meeting of the association which is to be at Liberty church at two o'clock, Wednesday, October 8th. At this meeting the committee on by-laws will submit its report and the tentative constitution which will be voted on by the association. It is hoped that those who are interested in making deposits for permanent upkeep of lots or graves will mention the fact to the president of the association on or before that time.

The members of the board at present are John W. Marshall, president; Rose E. Ranson, secretary; A. H. McGinnison, treasurer; John R. Boddy, E. A. Sawtell, Leland Perbix and Fred Kilham, directors.

TRANS-PACIFIC FLIGHT

BEGIN HERE TODAY
KAY, DUX, pretty airplane stewardess, falls in love with TED GRAHAM, veteran pilot who flies the trans-Pacific route.

Ted, however, is not interested in romance. His life is devoted to two things: his job in the air service and his adopted son, DICKIE, 7 years old. Dickie and Kay become close friends and soon the three spend much time together.

One night Kay and Ted have a long talk in which he explains his views on marriage. To be successful, he says, a marriage must be planned scientifically, just as a plane flight. Kay does not agree, but when Ted asks her to marry him she says yes.

The marriage takes place and the honeymoon is a flight to the Orient. Later, with Ted away for weeks at a time, Kay is lonely. She tries to keep busy, caring for her home and for Dickie. Ted is working on an invention and spends less and less time at home.

At a club meeting Kay meets MRS. WATTS, expert on child psychology, who warns her that Dickie is a problem child.

Federated Women's Club Institute To Be Held Here October 9

State officers and many state chairmen will be in attendance at the Regional Institute of the Federated Women's clubs to be held in Jacksonville, on October 9, at the Central Christian church.

Plans are progressing nicely and an unusually fine program has been arranged by Miss Ellen M. Yockey, vice-president of the Central region in cooperation with Mrs. Roy Davenport, Morgan County Federation president.

Announce Slogan For YMCA Drive For Funds Here

Setting-up Conference to Be Held Tuesday Evening

"Square Yards not Square Miles Make a City Great" was the slogan announced for 1936-37 YMCA Forward Movement and Anniversary Fund at a conference of leaders at the new Dunlap. A definite schedule of events was also announced, including a "Setting-up Conference and Dress Rehearsal" of all members of the four divisions at headquarters in the Chamber of Commerce, Tuesday evening at 7:30 p. m. General Chairman C. P. McClelland is anxious that every possible worker be present as important plans and rules will be explained at that time; workers will be enabled to ask questions, thus affording a clear program for the big opening dinner to launch the campaign, Thursday evening, October 1, at 6:05 o'clock.

The east dining room of the hotel has been selected as the place for the Thursday opening dinner and for the other report suppers lasting for one hour and ten minutes from 6:06 to 7:16 for five evenings during the intensive period of the drive.

The special gifts committee, under the leadership of Earl Spink and Dr. Ellsworth Black, began their work of active solicitation Monday among the business institutions, larger corporations, and other out-of-town interests.

In speaking of the community service of the "Y," Dr. Ellsworth Black, president, said, "It is necessary each year to call on the friends of the YMCA to provide funds to maintain our program. Is this program worth anything to the Jacksonville community? We think it is. The weekly schedule of activities include not only the group games, but according to the seasons such special features as Hobby Clubs, Handicraft work, Outings, etc. More than 1500 boys and girls, young people and adults look part in the year's work. The 'Y' cooperates with the churches and schools of Jacksonville, assists in providing programs in the CCC Camps, and cooperates in the Morgan County Recreation Project."

ILLINOIS COLLEGE WOMEN'S SOCIETY HOLDS INITIATION

The formal initiation of Sigma Phi Epsilon, society for women at Illinois College, was held Friday evening at 8 p. m., at the David A. Smith house.

New members include Betty Barrie, Ellen Bradford, Melma Jeanne Ewert, Betty Flynn, Pauline Gibson, Doris Hoskins, Ruth Kilton, Margaret Lacey, Margaret Lynch, Evelyn Mack, Ethel Ogden, Winifred Randolph, Rosemary Robert, Louise Robertson and Marion Wright.

Mrs. George Merrill, an honorary member of the society, gave an informal talk. Miss Betty Lacey, former president, also addressed the group.

A short business meeting followed the program, after which tea was served in the society room with Miss Helen Grandcolas, president, acting as hostess.

During the business meeting the following committees were appointed by the president, Social, Carol Davis, chairman; Margaret Lynch, Rosemary Coultas, Betty Barrie, Evelyn Mack, Betty Flynn, Melma Jeanne Ewert, Program, Dorothy Deane Baldwin, chairman; Ramelle Smith, Rosemary Roberts, Marion Wright, Margaret Lacey, Financial, Betty Marshall, chairman; Ellen Bradford, Louise Robertson.

Prudential, Mary Pinkerton, chairman; Helen Rehak, Pauline Gibson, Ruth Kilton, Scholarship, Helen Grandcolas, chairman, Kathleen Duffy, Doris Hoskins, Special committee, Adell Reed, Song and Pledge, Ethel Ogden, chairman; Frances Mayne, Winifred Randolph, Date night, Mary Mina Thompson, Edith Patterson.

Officers of the society are: President—Helen Grandcolas, Vice-president—Adell Reed, Recording Secretary—Carol Davis, Corresponding secretary—Rosemary Coultas.

Treasurer—Betty Marshall.

RESUME TRIP EAST

Mr. and Mrs. R. W. Banks and Mrs. Ann Nuckolls, all of San Francisco, California, left Jacksonville yesterday to continue their trip through the east and south.

The party met with an accident on the east hard road ten days ago with Mrs. Nuckolls suffering injuries which have confined her in Passavant Hospital since that time.

They will motor to Washington, D. C., continue to Miami, Florida, and then make the home trip by the southern route.

TO BE SOLD HERE

Mrs. Stover's Bungalow Chocolates are to be sold in Jacksonville.

Mrs. Stover has selected Gilbert's Pharmacy to act as her distributor here. A fresh line of this delicious candy will be on sale at all times.

A.T.A. Members Name Officers At Meeting Here

L. Clyde Cooper Is Re-elected President of Sub-order; Select Delegates

Sub-Order No. 158, A. T. A., elected and installed officers, chose delegates to the state convention, completed plans for both the national and state conventions, which will be held in this city early next month, heard reports from officers, and transacted other business at regular monthly meeting held at the court house yesterday afternoon.

Fred Bailey, chairman of the arrangements committee reported that all arrangements for the two conventions had been completed and everything was in readiness for the arrival of delegates.

Other members of the committee, some of whom also gave reports are: W. G. Hadden, Clyde Black, C. W. Boston, John Lazenby and L. Clyde Cooper.

Mr. Bailey reported that a full program had been arranged both for the national and state conventions.

The national convention will convene Monday, October 5 and will be in session two days. The state convention will open Wednesday, October 7 and continue thru Thursday.

Headquarters for both conventions will be at the New Dunlap hotel, where the national banquet will be held. The banquet for the state delegates will be divided between the Central Christian church and Grace M. E. church. While there will be approximately 50 delegates to the national convention, it is believed that the state convention will bring 400 visitors to the city.

All members of the A. T. A. are invited to attend all sessions, both national and state. The pass word will gain any member admission to the sessions. The local sub-order officers hope that all Antis in this territory will avail themselves of the opportunity of attending both the national and state conventions.

On the night of Oct. 7, a large class will be initiated into the order at the David Prince school building, with the Winchester team conferring the degree work.

All members and their wives can attend the state banquet. Tickets can be obtained from Fred Bailey.

All officers were re-elected at the meeting yesterday. They are: President—L. Clyde Cooper, Vice president—Arch Bridgman, Recording secretary—John W. Lazenby.

Financial secretary—C. W. Boston, Treasurer—Chester Thomason, Marshal—James Martin, Guard—Newton Flynn, Prosecuting committee—E. N. Craig, R. L. Henry, A. C. Reid, W. A. Shumaker, Clyde Black.

Delegates to the state convention will be: John Ruskewick, James Martin, R. P. Oxley, Edward Patterson, H. C. Massey, J. W. Lazenby, Charles O. Leake, Arch Bridgman, Clyde Black, James D. Pike, Paul Black, C. W. Boston, J. A. Hosp, E. N. Craig, A. E. Richardson, R. L. Henry, William Cleary, Walter Shumaker, Robert Scott, Newton Flynn.

L. Clyde Cooper, who holds a state office will also be a delegate.

The alternates are: W. H. Self, T. P. Martin, Fred Bailey and Chester Thomason.

COSSACKS CHORUS HERE OCTOBER 2

The Don Cossacks chorus which will appear in Jacksonville, October 2, at the high school auditorium, sponsored by the MacMurray Community Artist Series, will present one of the most remarkable concerts ever heard in the city.

Although no longer the wild riders as conquerors in battle, these thirty-six stalwart Russians, ex-officers of the Czar's Imperial army, are conquerors still, since they now march to peaceful victories under the command of their diminutive leader, Serge Jaroff, one of the world's greatest conductors.

Organized in 1923 in a prison camp near Constantinople these Don Cossacks have made history as the greatest singing organization in the world. Their record is more than 2000 concerts given in Europe, England, Australia and America.

Announcement comes from the MacMurray college that the membership drive has achieved a fine goal of nearly 500, which assures the music patrons of a fifth number to the splendid series, that of the Stratevarian string quartette, an organization noted for its productions of the highest standards. This last group will be in Jacksonville between the 8th and 12th of April.

Senator Lewis Says F. D. R. Opposition Makes False Claims

Gives Campaign Address At High School Here Last Night

United States Senator James Hamilton Lewis in a campaign address here Saturday night charged that forces opposed to reelection of President Roosevelt are resorting to false claims, and are spreading the fear of added taxation, which Lewis branded as an old political trick and unjust.

President Roosevelt saved the nation in time of peril in 1932 in a grave crisis than America faced during the World War, Senator Lewis said. Yet there was scarcely a cry raised against the huge taxation caused by the war, but the expense of feeding the hungry and caring for the homeless is a different matter in the eyes of some, the senator from Illinois declared. He told a large audience at the high school auditorium that administration expenditures for relief have been justified, but that there is no need to fear a continuation of the Roosevelt administration because Republican leaders assert the tax burden will grow.

Senator Lewis, whose eloquent tongue and ready wit have made him a national and international figure, declared that when the nation's debt is mentioned President Roosevelt is blamed with most of it, whereas the Coolidge and Hoover administrations piled up huge deficits before his entrance to office. This, he contended, is unfair and should be resented by voters.

Taking on the aspect of a district rally, the meeting at the high school auditorium was addressed by several other well known figures in the Democratic party, including Attorney General Otto Kerner and Lewis Long, candidate for congressman-at-large. Senator Lewis was introduced by Scott Lucas, congressman from this district.

"The Republicans are saying 'put 'em out, we want to be put in,'" Senator Lewis declared. He added, however, that the Republican party has no definite theories for operating the government or bringing about betterment of conditions.

The Senator quoted Shakespeare, told several jokes in his inimitable style, and engaged in flights of rhetoric that have made him famous as an orator.

Warren Brockhouse, chairman of the Morgan County Democratic Central committee, opened the rally and presented Mrs. Cecil Manning, an employee of the state hospital, who led group singing. Brockhouse then introduced Democratic county candidates including State's Attorney W. H. Absher, Circuit Clerk Frank McCarty, Coroner Elmer Sample and Frank Flynn, nominee for commissioner; State Representative David Evans and Andrew O'Neill, legislative candidate.

Joseph Knight, state central committee man, introduced Long and Kerner, who engaged in brief remarks in support of the state and national administrations. Both paid particular compliment to Governor Horner, who they said has reduced the cost of state government and brought about many needed reforms.
